

# IAM MUSIC GROUP

## Podcast Production Pricing

### Package 1 I AM READY \$599

- Four 1 hour professionally engineered sessions per month.
- Broadcast quality editing, mixing and mastering (ensures that every published episode has clear audio, is free from reverb, background noise, awkward pauses, verbal flubs, stutters and distractions).
- Show notes including show title, description, quotes and links.
- Show scheduling and distribution to all major podcast platforms.
- 1 Weekly audiogram for social media.

### Package 2 I AM EVOLVING \$799

- Same services as package 1
- Additional Foley and ADR sound mixing (sound effects). Client will receive [frame.io](#) link for time stamp sound effects edits. (Frame IO is a program that allows you to make time stamped notes)
- 2 weekly social media content articles including profile pics, audiograms and quote graphics.

### Package 3 I AM SOARING \$1299

- Same services as package 2.
- 3 weekly social media content articles including profile pics, audiograms and quote graphics
- Complete Youtube ready videos of your podcast

### Set up Fees

Basic \$249 includes, Intro, outro and media set up

Premium \$399 Intro, outro, graphic design, original music and media set up.
